

Year 8
Science

How Science
Works

The Particle
Model

Elements,
Compounds &
Mixtures

Mixtures and
Separation

Acids and Bases

Metals and their
uses

The Periodic
Table

Combustion

Rocks

Energy and
changes

Energy transfers

Sound

Current
Electricity

Light

Forces

Cells, tissues,
organs & systems

Muscles and
Bones

Breathing and
respiration

Food and
Digestion

Animal sexual
reproduction

Ecosystems

Plants and
reproduction
